

Press Release

## **Tsubame Radio (TBM) now available from Kaga FEI Europe** *High Quality Slip Rings, Joysticks and Potentiometers*

**Langen, December 15, 2021** – Kaga FEI Europe GmbH (KFEU) and TBM have signed a distribution agreement for the complete TBM product portfolio easier available for European customers. Beside the standard product portfolio of Slip Rings supporting signal frequency up to 3GHz, Joysticks offering with up to 3-axis and command button as well as different potentiometers for THT and SMD mounting TBM can customize the above products to meet customer specifications.

“With TBM we found an excellent partner for the enrichment of our electromechanical product portfolio. Long product life cycles and high quality and durability are essential for our customers” answered Dr. Klaus-Peter Dyck, Director Marketing & Application of KFEU, when asked about customer benefits resulting from this partnership.

Mr. Imamura, Executive Vice President at Tsubame Radio Co. LTD, said when asked for his motivation for the engagement with KFEU: “We are pleased to partner with Kaga FEI Europe which has a high-quality distribution network. We look forward to working with their skilled team and cultivating new business in Europe together.”

#### **About KAGA FEI EUROPE (KFEU)**

**KAGA FEI EUROPE GmbH**

KAGA FEI Europe GmbH is part of the listed KAGA Group with more than 6,000 employees and 67 sales and production facilities worldwide (23 in Japan; 44 overseas) and has been one of the top addresses in the Japanese distribution market and EMS business for over 50 years. KFEU sells electronic components, complex system solutions and EMS services. Building on the "best-in-class" approach, KFEU ensures that customers always receive the best product in a category, which is ensured by a very close focus partnership with selected manufacturers. The focus markets for KFEU are automotive, industrial, medical & fitness and communications. KFEU offers solutions in direct sales, via a web shop and via other affiliated distribution partners. The company has locations in Langen near Frankfurt, Munich and Milan.
